

RAMPACHODAVARAM & TUNI MISSION WORK

Overseen by the Willette Church of Christ

Greetings from the Churches of Christ in India in the name of our Lord Jesus Christ. We thank you for all your prayers and support for the India Campaign from January 8, 2019 to January 25, 2019. We have exciting news to report you about India Tour of our Brethren from U.S.A. Bros. Hugh Wayne Clark, Glen Holmes, Mike Pickett and Jack Honeycutt landed in Delhi on January 8, 2019 to Visakhapatnam on January 9th and reached Tuni by road. Our campaign started from January 10, 2019 to January 23, 2019. We conducted village meetings, Area Tent Meetings (public meetings), visited Children

Homes, Widow Homes, Hospital, Tuni School of Preaching, Printing Press, opened 12 Church Buildings, Sewing Centre, distributed Holy Bibles and Song books, helped P.A. Systems, Baptisteries, Bore wells wherever required as and funds available. All these events were completed in 12 days. We once again thank you for all your prayerful support. This year we started our schedule with great concern in the midst of the threats from Hindu extremists and restrictions imposed by the Government of India. By grace of God, our brethren had smooth entry into India and we had no hurdles anywhere by the government or locals. Moreover, God helped us to conduct Public meetings (Tent Meeting) in villages and also we could give baptisms publicly in the canals or in the tanks immediately wherever necessary without any hindrance. We have taken all care of our brethren in choosing places of meeting to ensure their safety.

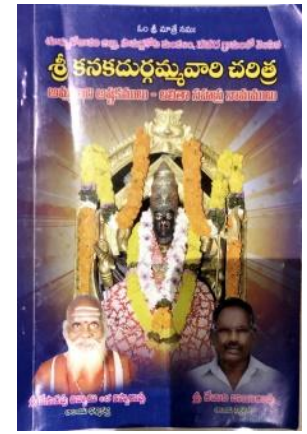

This year we could cover only few areas because of short time we had. We divided into two groups with two Americans and two Indians in each group and visited 3 villages per day. We are happy to report you that we witnessed 628 baptisms in 82 villages. In addition to these, we are so happy to report that there are 163 baptisms reported by our preachers from other areas where we could not go. Thus we had 781 baptisms during the month of January 2019. It is interesting to know that we had baptisms in some villages the day before we go that village which is evident that the people are so excited to be baptized not sparing any late. When we visited these places there are still few were baptized. This speaks of the hard work of the preachers in the Kingdom and overall growth and maturity of the Church. This was what our brethren noticed these days. Thank you for your helping hand and continuous watching over the work with your fervent prayers.

GOSPEL TO ALL: The man in the picture is Mr. Devadi Babu Rao. He was baptized on January Sunday 27th 2019.

He was a staunch Hindu that belongs to high caste. He was retired as Post Master. His father was a Hindu priest. After his retirement, he took over his father's profession as priest in a temple at Navara, near Kakinada. Because of his faith in their Goddess he worships, he printed books on the life of Goddess "Kanka Durga" basing on Hindu pagan stories and some 'slokas' (poems, rituals) about her and distribute in the villages. He also serves as the secretary of their temple and possesses all the gold and silver ornaments of that Goddess under his control. On January 23, 2019, Brother Hugh Wayne Clark and John Ratnam conducted a public meeting in Siripuram Area with Bro. S. Prabhudas. It was arranged in a
